APRIL MARATHON

April 20-29 KRAB presents its annual Spring Marathon. For those of you unfamiliar with a KRAB marathon, it is a 10 day period during which the 175 plus volunteers at KRAB put in extra effort to produce special programming for you the listener. We ask that you in turn show your appreciation by becoming a subscriber to KRAB thereby supporting non-commercial, public access radio as well as unique and diversified programming unavailable elsewhere.

This marathon we are trying something new in the way of special programming. Each of the six weekdays has a separate musical theme, around which the day's programming focuses. The first Friday features various forms and traditions of Latin American music, with such programs as Robert Garfias' comparison of Latin American harp styles and Artemia Benitez' study of Caribbean Cult Music.

On Monday, KRABgrass Day features Dennis Flannigan interviewing Sheriff Tex, the radio cowboy, along with numerous specials of old-timey, bluegrass and country, and gospel music. Tuesday is Jazz Day, with big bands, jazz drama and specials on such innovative vocal groups as Lambert, Hendricks and Ross.

Wednesday is Early Music Day with a live concert featuring classical guitarists Gary Bissiri and Steve Novacek. Thursday belongs to Earth Music, a collage of musical cultures from Ireland to Africa and beyond. Friday's Rhythm and Blues extravaganza showcases the unique world of Gabe's Tavern, where the juke box became a focal point of this area's r&b aficionados.

This special programming begins each weekday at 2:00 PM after the regular KRABJAZZ show. It continues throughout the afternoon and evening until late night. We hope you enjoy the myriad of special programs and that you will prove our experiment a success by helping to make this the most successful marathon ever.

DIRECT LEGISLATIVE FUNDS FOR KRAB?

Yes, it could be true...IF the special session of the Washington Legislature passes the following bill:

HOUSE BILL 542

The bill will create a Public Broadcasting Commission and will provide biennial funding for public radio and television. \$500,000 for radio is requested for the 1979-81 biennium. If the funds are divided evenly among the 24 public radio stations, KRAB's share would be about \$20,000. If it were divided on the basis on financial need and/or diverse services, KRAB should get more. However the funds are divided, KRAB will benefit. The money can be used for general operating costs, equipment acquisition, and/or programming costs. The Legislature will not have any editorial authority. Please take the time to write AND call. Let the legislators know you care about non-commercial, public access radio.

CALL: Toll-Free Hotline: 1-800-562-6000
If the line is busy, keep trying.

You can leave messages for three legislators with each call.

AND WRITE: Rep./Senator Jane/John Doe
House/Senate Office Building
Olympia WA 98504

The folks in Eastern Washington are putting us to shame. They have literally sent thousands of letters. Little has been heard from western Washington. PLEASE CALL AND WRITE TODAY!

TO & FROM

REPORT TO THE LISTENERS

This will be a regular column in the monthly program guide....a chance to bring you up to date on happenings at KRAB...and maybe an opinion or two on matters of public access and other issues close to our hearts. To begin with this month, here are some brief updates:

THE APRIL MARATHON: Once again, it's time for the semi-annual fundraising marathon. We try to keep our on-the-air fundraising interesting and provide you with special programming. This month, it's a week full of great programming. You can show your support for non-commercial, censor-free radio by making your pledge during this fundraising period. Remember, KRAB survives by your contributions. We do not have any other regular sources of income--be our sugar-free daddy, mommy, grams or gramps!

THE NEW BUILDING: Progress is slow, but we're getting there. The February Jazz Weekend fundraiser received \$6,000 worth of pledges for the Building Fund. As the money arrives (some \$1,500 plus still out there) it is being placed in a special account for the building. We have now covered the down payment on the building and

are banking the rest for renovation and construction costs. A special thanks to all of the Building Fund contributors!

THE SPEAKING CIRCUIT: We are now 'hitting the road' to tell as many people as possible about listener supported, non-commercial public access KRAB. If you know of any organizations who would like to have speakers make a presentation, please contact Stu Witmer in the early mornings at 325-5110.

LETTERS, WE WANT LETTERS: We would like to hear from you and share your comments with all KRAB supporters. Please address your comments to:

CHANGES: As you can tell, we are experimenting with a new look for the program guide. Please bear with us as we go through some transitions. Suggestions are welcome!
